# ARWEINIAD I GYMORTH CYLLID MYFWRWYR

## A GUIDE TO STUDENT FINANCE SUPPORT

2020/21

# MEDDWL MYND I BRIFYSGOL? PAID Â GADAEL I ARIAN DY ATAL.

## THINKING ABOUT GOING TO UNIVERSITY? DON'T LET MONEY GET IN THE WAY.

Mae mynd i'r brifysgol yn gallu gwella'ch gwybodaeth, sgiliau, gobeithion gyraol a photensial ennill arian – ond mae hefyd yn gostus.

Dyna pam mae Llywodraeth Cymru wedi cyflwyno'r pecyn cymorth cyllid myfyrwyr mwyaf hael yn y DU. Mae'n golygu'ch bod chi'n gallu canolbwytio ar eich astudiaethau a threulio llai o amser yn poeni am sut i gael dau ben llinyn ynghyd.

Cymysgedd o grantiau (nad oes angen eu had-dalu) a benthyciadau (yr ydych chi'n debygol o orfod eu had-dalu maes o law) yw'r cymorth hwn.

Going to university can improve your knowledge, skills, career prospects and earning potential, but it does cost money.

That's why Welsh Government has introduced the most generous package of student finance support in the UK. It means you can focus on your studies and spend less time worrying about making ends meet.

The support is made up of a mixture of grants (which you don't have to repay) and loans (which you're likely to have to repay eventually).

# **"DYNA PAM MAE LLYWODRAETH CYMRU WEDI CYFLWYNO'R PECYN **CYMORTH CYLLID** MYFYRWYR **MWYAF** **HUEL** YN Y DU"**

Felly, p'un ai'ch bod yn bwriadu astudio'n llawn amser neu'n rhan amser, mae'n bwysig cofio y bydd gennych ddu fath o gostau - ffioedd dysgu a chostau byw.

- Mae ffioedd dysgu wedi'u pennu gan y brifysgol neu'r coleg. Hyd at £9,000 y flwyddyn yw'r ffioedd dysgu yng Nghymru, ond gallech orfod talu hyd at £9,250 y flwyddyn am gwrs israddedig llawn amser yn rhannau eraill o'r DU.
- Mae'n anoddach nodi costau byw gan eu bod yn dibynnu ar sut rydych chi'n astudio ac a ydych chi'n dewis byw gartref yn ystod y cwrws.

# **"WELSH GOVERNMENT HAS INTRODUCED THE **MOST GENEROUS** PACKAGE OF STUDENT FINANCE **SUPPORT IN THE UK"****

Whether you choose to study full or part-time, it's important to remember you'll have two types of costs you'll need to cover – tuition fees and living costs.

- **Tuition fees** are set by the university or college. In Wales, tuition fees have been capped at £9,000 per year but in other parts of the UK you could be charged up to £9,250 per year for a full-time undergraduate course.
- **Living costs** are a bit harder to quantify and depend on factors such as how you study and your living arrangements during your course.

## PA FATH O GYMORTH GAF I?

**Ffioedd dysgu** - fydd y rhan fwyaf o fyfyrwyr ddim angen gwneud unrhyw daliadau ymlaen llaw am eu cwrs. Galli wneud cais am fenthyciad ffioedd dysgu i dalu am gost y cwrs.

**Costau byw** - gall pob myfyriwr cymwys dderbyn cymorth tuag at gostau byw, trwy gymysgedd o grantiau a benthyciadau.

## BETH OS YDW I AM ASTUDIO'N LLAWN AMSER?

**Bydd y rhan fwyaf o fyfyrwyr yn derbyn cymorth sy'n cyfateb i'r Cyflog Byw Cenedlaethol.**

Os ydych chi'n fyfyriwr israddedig sy'n astudio'n llawn-amser mae cyfanswm y grant gewch chi'n dibynnu ar incwm eich aelwyd a lle rydych chi'n dewis astudio:

- Po isaf yw incwm eich aelwyd, po fwyaf o grant gewch chi.
- Mae myfyrwyr nad ydynt yn byw gyda'i rhieni yn derbyn mwy o grant er mwyn adlewyrchu'r gost o fyw'n annibynnol.

Gallwch wedyn gael benthyciad ar gyfer y costau byw ychwanegol. Bydd cyfanswm eich benthyciad yn dibynnu ar incwm eich aelwyd a'r man astudio o'ch dewis.

## WHAT SUPPORT WILL I GET?

**Tuition fees** - most students won't have to pay anything upfront for their course. You can apply for a tuition fee loan to cover the cost of the course.

**Living costs** - all eligible students can get support for living costs, made up of a mixture of grants and loans.

## WHAT IF I WANT TO STUDY FULL-TIME?

**Most students will receive support equivalent to the National Living Wage.**

If you're an undergraduate studying full-time the total grant amount depends on your household income and where you choose to study:

- The lower your household income, the more grant you'll receive.
- Students who do not live at their parental home receive higher grants to reflect the cost of independent living.

You can then take out a loan to cover additional living costs. The total loan amount depends on your household income and where you choose to study.

## BETH OS YDW I EISIAU ASTUDIO'N RHAN-AMSER?

## WHAT IF I WANT TO STUDY PART-TIME?

Os ydych chi'n fyfyrwr israddeleg sy'n astudio'n rhan-amser, byddwch chi'n dal i dderbyn cymorth ariannol, ond bydd y swm yn dibynnu ar faint o amser y byddwch chi'n ei dreulio'n cwblhau'ch cwrs o gymharu â chwrs llawn amser tebyg (dwysedd cwrs).

**Cymru yw'r wlad gyntaf yn Ewrop i gyflwyno cymorth cyfwerth â chostau byw ar draws astudiaethau israddelegion llawn amser a rhan-amser.**

**Ffioedd dysgu** – gall myfyrywyr rhan-amser sy'n astudio cwrs â dwyster 25% neu fwy wneud cais am fenthyciad ffioedd dysgu er mwyn helpu i dalu am eu cwrs. Bydd swm y benthyciad yn dibynnu ar lle a sut rydych chi'n dewis astudio, e.e. a rydych chi'n astudio ar-lein ai peidio.

**Costau byw** – mae pob myfyrywr cymwys yn gallu cael cymorth tuag at gostau byw, trwy gyfuniad o grantiau a benthyciadau.

Os ydych chi'n astudio'n rhan-amser fel myfyrywr israddeleg, cewch hefyd isafswm y **grant costau byw**.

Mae cyfanswm y grant yn dibynnu ar incwm eich aelwyd a pha mor ddwys yw'ch cwrs. Po leiaf yw incwm eich aelwyd a pho uchaf yw dwyster eich cwrs, y mwyaf o grant gewch chi.

Gallwch hefyd gael benthyciad i dalu costau byw ychwanegol. Mae cyfanswm y benthyciad yn dibynnu ar incwm eich aelwyd a'r man astudio o'ch dewis.

If you're an undergraduate studying part-time, you'll still receive financial support, but the amount will depend on how long your course will take you to complete in comparison to a similar full-time course (course intensity).

**Wales is the first country in Europe to introduce comparable living cost support across full and part-time undergraduate study.**

**Tuition fees** – part-time students studying at an intensity of 25% or more can apply for a tuition fee loan to help cover the cost of their course. Loan amounts will vary depending on where and how you choose to study such as whether you study online.

**Living costs** - all eligible students can get support for living costs, made up of a mixture of grants and loans.

If you study part-time as an undergraduate, you'll also get a minimum living cost grant.

The total grant amount depends on your household income and the intensity of your course. The lower your household income and the higher the intensity of your course, the more grant you'll receive.

You can then take out a loan to cover additional living costs. The total loan amount depends on your household income and where you choose to study.

Gall myfyrwyr llawn amser a rhan-amser wneud cais am fenthyciad i dalu ffioedd dysgu, ac nid yw'r benthyciadau hyn yn dibynnu ar incwm eich aelwyd.

Os gnewch chi gais am gymorth costau byw mewn da bryd, bydd yr arian hwnnw ar gael i chi ar ddechrau'ch cwrs. Bydd yr arian yn cael ei dalu'n syth i'ch cyfrif fesul rhandal ar ddechrau bob tymor.

**DO I NEED MONEY UPFRONT  
WHEN I START UNIVERSITY?**

Full and part-time students can apply for a loan to cover tuition fees and these loans do not depend on your household income.

If you apply for living cost support in plenty of time, your money will be available when you start your course. Payments will go directly into your account in installments at the start of each term.

## **OS BYDDA I'N CAEL BENTHYCIAD, OES RAID EI DALU'N ÔL?**

Os byddwch chi'n cael benthyciad ffioedd dysgu, bydd llog yn cael ei godi arno o'r diwrnod cyntaf y caiff yr arian ei dalu i'ch prifysgol neu goleg, tan gaiff y benthyciad ei dalu'n llawn neu ei ganslo.

Fyddwch chi ddim yn dechrau ad-dalu'ch benthyciad tan i chi orffen yn y brifysgol, a bod eich incwm personol uwchlaw trothwy ad-daliad y DU. Yn Ebrill 2020, mae'r trothwy yn codi o £25,725 i £26,575 y flwyddyn.

Mae'r swm fyddwch chi'n ei ad-dalu bob mis yn seiliedig ar eich incwm. Os yw'ch incwm yn cynyddu neu'n lleihau, yna bydd y swm a ad-dalwch yn newid er mwyn adlewyrchu hynny.

Os bydd eich incwm yn cwympo o dan y trothwy ad-dalu, bydd yr ad-daliadau'n stopio a dim ond yn ailddechrau pan fydd eich cyflog dros y trothwy eto.

**Os ydych chi'n astudio'n llawn amser, gallech gael hyd at £1,500 tuag at leihau'ch benthyciad costau byw pan fyddwch chi'n gwneud yr ad-daliad benthyciad cyntaf. Dyma'r Cynllun Dileu Rhannol. Mae rhagor o fanylion ar ein gwefan.**

**Os na fydd eich balans wedi'i glirio ymhen 30 mlynedd, bydd yn cael ei ddileu.**

Hefyd, mae croeso i chi wneud ad-daliadau ychwanegol o'ch gwirfodd i'r Cwmni Benthyciadau Myfyrwyr unrhyw bryd.

Rhagor o wybodaeth am ad-dalu'ch benthyciad: [cylidmyfyrwrcymru.co.uk](http://cylidmyfyrwrcymru.co.uk)

## **IF I TAKE OUT A LOAN, WHEN DO I HAVE TO PAY IT BACK?**

If you take out a tuition fee loan, you'll be charged interest from the first day the money is paid to your university or college, until the loan is repaid in full or cancelled.

You will only start paying back your loan once you've finished university and your personal income is over the UK repayment threshold. In April 2020 the threshold increases from £25,725 to £26,575 a year.

The amount you repay each month is based on your income. If your income increases or decreases then the amount you repay changes to take this into account.

If your income falls below the repayment threshold, repayments will stop and only restart when your salary is over the threshold again.

**If you are studying full-time, you could get up to £1,500 towards reducing your living cost loan when you make your first loan repayment. We call this the Partial Cancellation Scheme. Further details can be found on our website.**

**If your balance has not been cleared within 30 years, it is written off.**

You can also make additional voluntary repayments to the Student Loans Company at any time.

For more information about repaying your loan, visit: [studentfinancewales.co.uk](http://studentfinancewales.co.uk)
