The PTA are preparing for the Easter season and are looking for any donations towards our Easter Hampers. We would like to thank everyone for their kind donations during our Christmas fund raising over £500. This money has been key towards buying iPads and Sports equipment for both the Primary and Secondary Campus. Our Easter fundraising efforts will focus on new books for the library and supporting both the primary and secondary campus teaching resources and funds raised from the Easter raffles will go towards these good causes.

Any donations to the Secondary Office by 13/3/2020 please.

Thank you again for all your support,

The PTA Team
